Forecast For The United Kingdom
Issued by Met Office Exeter
at 0400 on Sunday 22 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain clearing to sunny intervals and a few showers.

Today:
Some heavy rain with risk of thunder in south-eastern parts of England at first, whilst rather cloudy elsewhere with a little rain in places. Many parts becoming dry through the day with sunny intervals developing, but also the odd shower.

Tonight:
Mostly dry with variable amounts of cloud and clear intervals. Turning misty with some fog or low cloud in places.

Monday:
Apart from an isolated shower in the north and west, it will be dry with sunny spells developing. Warm in the south.

Outlook for Tuesday to Thursday:
Mostly dry with sunny spells, best in the west where it will be warm or very warm. Cloudier and cooler in the north and east with patchy drizzle at times.
